## Cadenza

The ultimate wedding collection. We will design the day around you and deliver an unrivalled, memorable experience. All that you could possibly want – photographers, video crew, make-up artists as well as an internationally celebrated hairstylist working in unison to give you a day to remember. Images are printed on the day/evening using our portable studio, and can include any personal inscription for you and your special guests. All images will also be displayed on your Personal Password Protected Web Gallery. Any Showcase Jorgensen Album to your specification, plus you can choose up to 4 other Jorgensen Albums for your parents or guests.

*"...you exuded confidence and made my husband and I relax. We knew the professionals had arrived. Your knowledge of how to capitalise on our lovely venue Lainston House was invaluable. We had lots of comments from our guests how professional and lovely you were".*

*Nicola and Gordon Rowe (on the wedding of their daughter, Cayley to Tim)*

*"The pictures are FANTASTIC! So many, so good and such fun! Emily and Guy are thrilled with them – as are we".*

*Family of James Blunt, singer/songwriter*

## Crescendo

Be at the leading edge of wedding day presentation by composing your own luxurious image collection. Orchestrate the impression of the day with an even more comprehensive, bespoke selection choosing from a wider range of options. This can include having the luxury of the top of the range Jorgensen Album incorporating even more images. Raise the tempo with beautifully presented DVDs incorporating still images and edited video footage. Select additional albums for friends as well as family. Choose your favourite image of the day and commit it to canvas or one of the many other exciting mediums available to grace your home and those of your nearest and dearest. You can even frame and inscribe pictures as special guest mementos. The choice is wide and it is yours to decide. As with the other options in our portfolio collection, all images will be displayed on your Personal Password Protected Web Gallery.
